

Dear Supporters,

The saying goes "A faithful friend is hard to find among ten thousand of mankind". Surely God is gracious to us. He gave us friends in Australia. We thank you for running with Sam Wandendeya's vision, for without a vision the People perish.

In a world where each day comes with new difficulties stemming from the environment you have been born in, to have a friend who looks into your detailed life is a blessing.

You have provided for the sponsored children's education. Through your tireless efforts we are proud to have lawyers, teachers, secretaries, builders, caterers, social workers, and tailors, Doctors in the making to mention but a few.

When David invited Mephibosheth to his palace he went an extra mile, there was somebody always to lift Mephibosheth to from table, 2 Samuel 9: 13

No vocabulary can comprehensively express the gratitude we feel toward you. when we look around we see Joshua Primary school with all full furnished classrooms from P1 to P7, clinic toilets which are environmentally safe now the renovation and equipping of the Health Centre which gives the most needed health services to the community of more than 20,000 people.

You have gone ahead not only provide for the education needs of the children but also to give gifts to the, When we see the smiles on the children's faces as we distribute these gifts, our hearts are filled with joy.

No more papyrus mats because a friend has bought them a mattress.

The tattered clothes have been forgotten because you have clothed them.

The cold in the night is no more because the blankets and bed sheets have been provided.

In our country where mosquitoes co-habit our homes with us, the mosquito nets have held malaria at bay.

When a child has gone without food for days somebody sends money for welfare.

Even when the children are through with their courses you have sent money for income generation projects.

For God to love us enough to send us angels in human flesh.....it's just amazing!

"A good turn deserves another." But what can we surely give back to you back for this immense work you have done? We only quote this scripture in Proverbs 19:17 "He who is kind to the poor lends to the Lord, and he will repay him his deed".

Thank you.
